Equitable Transit-Oriented Development (TOD) Survey

We would like to hear from you! Please fill out this form. Upon completion, please forward to:
Audra Rojek, Project Manager via email at audra.rojek@wsp.com.

Community Engagement

How would you like to be engaged throughout this project?

What types of meetings do you prefer?

How do you prefer to receive and disseminate information?

Are you willing to help organize or facilitate neighborhood meetings?

Transportation

Identify assets in your community.

What are barriers to building on those assets?

What strategies do you recommend to overcoming those barriers?

What one thing could be done right now to improve/preserve this asset?

Housing

Identify assets in your community.

What are barriers to building on those assets?

What strategies do you recommend to overcoming those barriers?

What one thing could be done right now to improve/preserve this asset?

Land Use

Identify assets in your community.

What are barriers to building on those assets?

What strategies do you recommend to overcoming those barriers?

What one thing could be done right now to improve/preserve this asset?

Economic Development

Identify assets in your community.

What are barriers to building on those assets?

What strategies do you recommend to overcoming those barriers?

What one thing could be done right now to improve/preserve this asset?
